

SUNDAY

KIDS' ACTIVITIES

ST JUDE'S CHURCH

Hi! Over the next few weeks, we'll be using Quizworx Home Delivery material. They have the same sorts of things we've been producing that you can use for your at-home kids church. They have videos & memory verses, kids' activities and family devotion ideas for during the week.

You can access their videos for this week on our Kids Youtube channel. You'll find the link on our website stjudes.org.au

And you can access the kids' activities for this week here:

Just find the folder with the correct date for the Sunday you're looking for and then print off the activities for the age of your kids.

We hope and pray these resources by Quizworx help your kids engage and connect with Jesus!

Blessings,

Amy (Children & Youth Minister).
